

Lagniappe

... a little extra

Do you need "a little extra" -

- with current English topics you are learning?
- this week's math lessons?
- a big upcoming English or math test?

Do you want "a little extra" -

- to push yourself to do even better than you are doing now?
- because you love math or English and you just can't get enough?
- to soak up new skills like a sponge?

If any of these scenarios apply to you, **Lake Castle Lagniappe** is for you!!!

Lagniappe is a new club for those who are looking for "a little extra" when it comes to math or English. You can attend all sessions for one subject, or you can mix and match. You can even enjoy your snack/drink while you learn. At Lagniappe Mrs. Huff and Mrs. Butera will go over the current week's math or English lessons, and we will help you prepare for your upcoming quizzes or tests. For those who want an extra challenge, we'll push you "a little extra", introducing you to new skills, concepts, and challenges.

Lagniappe begins January 13, 2014. Time: 3:15 P.M. - 4:15 P.M.

Cost: \$15 per session. Please make checks payable to "CASH".

Student's Name: _____ Grade: _____
